Patents

Patents 1 - 10 on filter graph load. (0.05 seconds)

System and method for processing multimedia data streams using filter graphs

US Pat. 5913038 - Filed Dec 13, 1996 - Microsoft Corporation

For example, if the **filter graph** manager 202 operates to **load** a particular **filter**, and this **filter** fails to connect to another **filter** in the chain, then, ...

Computer operating process allocating tasks between first and second processors at run time based upon current processor load

US Pat. 6298370 - Filed Apr 4, 1997 - Texas Instruments Incorporated

A **filter graph** has three different types of filters: source filters, transform filters, and rendering filters. A source **filter** is used to **load** data from ...

Interface and related methods for dynamically generating a filter graph in a development system

US Pat. 6959438 - Filed Dec 6, 2000 - Microsoft Corporation

An example method of dynamically generating and managing a **filter graph** is ... greater than the minimum time 40 it takes to completely **load** the next chain. ...

Load sensor for a grinding mill

US Pat. 4123009 - Filed Mar 25, 1976 - The International Nickel Company, Inc.

Graph A shows the input to the **filter** and 2 Hz is about 1. **Graph b** ... at approximately 0.2 Hz In the block diagram for a **load** mill sensor illustrated FIG. ...

COUPLING A FILTER GRAPH SPACE TO A NETWORK DRIVER SPACE

US Pat. 7035916 - Filed Apr 27, 2000 - Microsoft Corporation

Load Filter Graph Space And Network Driver Space Drivers Network Driver Creates A Corresponding Named Device Object **Filter Graph** Driver Searches For Device ...

AUDIOFREQUENCY TRANSMITTER INCLUDING A LOAD-GUIDED INVERTER AND DIRECT COUPLING FILTER

US Pat. 3453522 - Filed Mar 20, 1967

2g is a voltage-time **graph** of the voltage at the output of the **filter**, FIG. ... The output 23 of the **filter** is terminated by a **load** impedance 24, ...

System and related methods for processing audio content in a filter graph

US Pat. 6611215 - Filed Dec 6, 2000 - Microsoft Corporation

The interface described therein is referred to as a **filter graph** manager. ... A source **filter** is used to **load** data from some source; a transform **filter** ...

Method of using video reflection in providing input data to a computer system

US Pat. 6088018 - Filed Jun 11, 1998 - Intel Corporation

The **filter graph** values of pixels within specified color ranges with ... color analyzer instructs the **filter graph** manager 504 to **load** a **graph** file ,,,, , , ...

Placing and monitoring transparent user interface elements in a live video stream as a method for user input

US Pat. 6353450 - Filed Feb 16, 1999 - Intel Corporation

The application program forwards has installed in the **filter graph**, ... blocks of a predeter- instructs **filter graph** manager 504 to **load** a **graph** file (not ...

System and method for transferring information over a computer network

US Pat. 6502137 - Filed Oct 9, 1997 - International Business Machines Corporation

In step 2, the viewer program 127 reads the input data and invokes the **filter graph** (not shown, but part of multimedia subsystem 141) with a **Load Filter ...**

Patents

Patents 1 - 10 on filter graph dynamic. (0.06 seconds)

Dynamic reconfiguration of multimedia stream processing modules

US Pat. 6983464 - Filed Jul 31, 2000 - Microsoft Corporation

3, an application 120 communicates with a **filter graph** manager 122 when the ...
the **graph** being changed is expanded to include modules that support **dynamic** ...

Methods and systems for implementing **dynamic** properties on objects that support only static properties

US Pat. 7073179 - Filed Oct 28, 2004 - Microsoft Corporation

For each data stream that the **filter** handles IMPLEMENTING **DYNAMIC** PROPERTIES it
exposes at ... An example of a **filter graph** for tent and, more particularly, ...

Methods and systems for implementing **dynamic** properties on objects that support only static properties

US Pat. 6912717 - Filed Dec 6, 2000 - Microsoft Corporation

METHODS AND SYSTEMS FOR IMPLEMENTING **DYNAMIC** PROPERTIES ON OBJECTS THAT ...The interface described therein is referred to as a **filter graph** manager. ...

Interface and related methods for dynamically generating a **filter graph** in a development system

US Pat. 6959438 - Filed Dec 6, 2000 - Microsoft Corporation

43 graphically illustrates a **filter graph** during **dynamic graph** building, according
to one example implementation. FIG. 44 graphically illustrates a **filter** ...

XX X XX

US Pat. 7114162 - e chain an identifier required to fulfill execution of the development project for which uniquely identifies the
source chain within the context the next M seconds

active **filter graph** by render engine 222 and cached for subsequent ... to manage
dynamic graph building, according to one 25 example implementation. ...

User mode proxy of kernel mode operations in a computer operating system

US Pat. 6212574 - Filed Apr 4, 1997 - Microsoft Corporation

Controlling agent 26 may include **dynamic graph** building in order to construct
the **filter graph** illustrated in FIG. 1. Such a **dynamic graph** building ...

Dynamic optical filter

US Pat. 6522456 - Filed May 4, 2001 - Corning Applied Technologies, Inc.

1 is a pictorial diagram of an optical **filter** system according to certain principles
of the present invention. FIG. 2 is a **graph** of adjustable gain profiles ...

Optical network equipment with optical channel monitor and **dynamic** spectral filter alarms

US Pat. 6529316 - Filed Jun 12, 2001 - Onetta, Inc.

19 is a **graph** that shows an illustrative **dynamic filter** 30 spectrum that may be
produced by a **dynamic filter** in relation to illustrative alarm threshold ...

Image reproducing method and apparatus using **dynamic** range compression based on an unsharp signal generated by IIR filter

US Pat. 5905817 - Filed Dec 20, 1996 - Fuji Photo Film Co., Ltd.

Further, the **dynamic** range compressing process is carried out by using the unsharp
... 9 is a **graph** showing group delay characteristics of an IIR **filter**, ...

Dynamic gain flattening in an optical communication system

US Pat. 6731424 - Filed Mar 15, 2001 - Onetta, Inc.

5 is a **graph** of an illustrative loss spectrum for the exemplary **dynamic gain** adjusting **filter** of FIG. 3 under reverse biasing conditions. FIG. ...
